EXTRA! EXTRA! EXTRA!

NEIGHBORLY CALL!!

There's no use kidding ourselves that enlightened self-interest isn't a considerable part of the motive of this and many other excursions made by the Chamber of Commerce members in the past few years. After all....there is a big business to be done in our neighborhood stores!

And that means that a lot of good business can be done with Brisbane Firms... and the members of the Chamber are alive to the responsibility. But a great proportion of business, prices being approximately equal, is done on a friendship basis....with the people we know, and like, and trust.

So, the closer the personal ties with Brisbane, the better it is for all of us! Where there is ACTIVITY...there are better values. When you enter the Brisbane Liquor, Groceries, & Delicatessen Store, you will immediately observe a great business activity. Better VALUES, plus QUALITY, is our slogan...which is the secret of the business activity at the Brisbane Liquor Store. Making it pleasant for YOU to do business with US who serve you, is the aim of our business experience.

You'll be having more guests now that warm weather is here. How about rounding out your cellarette with some traditional summer beverages? If you're having visitors this summer, remember that the odds are against their preferring your brand....or even your favorite product. When you visit relatives out of town, take along a bottle of their favorite summer beverage. Here's YOUR favorite brand! Now, how about a summer change of pace? Why not take along a fine bottle of rum, gin, or vodka? We have some very good values in summer favorites. Take along a couple of bottles, this is the season for a variety of mixed drinks!

GEORGE ELLISON, PROPRIETOR

OF INTEREST TO SERVICEMEN:

HERE IS WHAT YOU KOREAN VETS HAVE BEEN WAITING FOR!---In an Associated Press dispatch from Washington D.C.--the following item appeared some time ago: Washington (AP)--Veterans of the Korean War will get benefits similar to those given World War II vets if a measure approved by the House Veterans Committee is passed by congress. Before house and senate okay such a bill, if they do, they may make changes. So the finished product is apt to be different from the committee version. But this is a quick look at it as it stands: The benefits apply not only to members of the armed forces who served in the Korean theater, but to all who were in the armed forces, at home or abroad, on or after June 27, 1950. In regards to EDUCATION:--if he served at least 90 days, a man gets 1½ days of education or training at government expense for each day of service but no more than 36 months. And he must apply within two years after discharge. (A World War II veteran who served at least 90 days got a minimum of 15 months. The maximum was 48 months. Without going into details, it can be said generally he was allowed more time after discharge to apply.) EDUCATION & TRAINING ALLOWANCE: --If he's enrolled in a course full-time, a Korea veteran gets $110 a month if he has no dependents and $150 if he has one or more. That's all. On that money he must live, pay his tuition, buy his books. (A World War II veteran got $75 a month to live on if he was single, $105 if he had one dependent, and $120 if he had two or more dependents, plus his tuition fees and book costs up to a limit of $500 a year.) What of a World War II veteran who was getting an education under the old GI bill of rights and then had his education interrupted by going back into the service? He'd be entitled, upon his discharge, to finish out the time in school due him under the old GI bill, plus whatever schooling he earned as a Korea veteran, but no more than a combined total of 48 months. But a World War II veteran who didn't apply for his educational benefits before the deadline of July 25, 1951 set up for most World War II veterans, couldn't claim them now as a result of service in the Korean War. He'd get only the benefits due him as a Korea veteran. (That July 25, 1951 deadline doesn't apply to men who had World War II service, but were discharged after July 25, 1947. They have until four years after their discharge to apply for World War II benefits.) HOUSING:---The same housing benefits for those who served on or after June 27, 1950 as presently are given World War II veterans: guaranty of home loans up to 60 per cent with a maximum of $7500; business loan guarantees of $2000; and direct loans up to $10,000 in non-city areas where private financing is not available. The interest in all cases must not exceed 4 per cent. SOCIAL SECURITY:--Korea and World War II veterans get the same wage credit for every month in service---$160---for old-age and survivors insurance. MUSTERING OUT PAY: ---In place of readjustment benefits, the mustering-out pay is $100 for less than 60 days service; $200 for more than 60 days; $300 when there is more than 60 days service which includes service overseas.

AND NOW FOR THE FOLLOW-UP ITEM:--Washington, July 17(AP):--President Truman has signed a bill to help GI'S released since the start of the Korean war to re-establish themselves in civilian life. The benefits are much the same as those granted to veterans after World War II but there are some important differences. The act provides the new veterans with money for education and training, mustering out pay, unemployment payments of $26 a week upto a total of 26 weeks, and financial support for home and business loans.

Well, there you are, fellows. This is what we have been writing letters to Washington for---but as for whether or not this is a LAW now, I don't know. When it comes to politics, I'm a bicycle rider, and I've never been on a bicycle in my life! But seems to me that when the President signs a bill--that's it! Let's hope so!-----YE EDITOR

BRISBANE GIRL WEDS AIRFORCE MAN: Miss Carmen Irma Jones, daughter of Mr. and Mrs. Frank E. Jones of 225 San Bruno Avenue, Brisbane, was married to PFC James Perry Oakley, of Castle Airforce Base, California, in a ceremony performed at the Brisbane Mission Church on Saturday, July 19th, 1952. The Wedding Service was read by Father Dransfeld, with Mrs. Louis Duncan at the organ. The bride was dressed in cream satin with an overskirt of white nylon net,; and a crown of seed pearls held her short veil. Her bouquet was of white baby roses. The groom wore his Airforce uniform. Bridesmaid Dorothy Monohan, also of Brisbane, wore a white silk dress with white Juliet cap, and carried a bouquet of pink baby roses. Best Man was Bob Elliott of Visitacion Valley. A reception followed the wedding ceremony at the Jones home on San Bruno Avenue. Guests included Mrs. Theresa Schroeder, Mrs. Al Jennett, Mary Fogg, Mrs Mary Ross, Mrs. L. Duncan, Mrs. Rose Sullivan (of S.F.), Mr and Mrs Odon, from Visitacion Valley, Mrs. E.J. Allemand, Mrs. H.J.Allemand, Mrs. Margaret Koster, Virginia Mayes, Gale Duncan, Margaret Duncan, Nancy Smith, Sharon Smith, and Sandra Roark (of Texas)

The bride is a graduate of the Brisbane Elementary School, and has attended Notre Dame High School, Belmont College, and Hill's Business College. The groom is a son of Mr. and Mrs. J. Oakley of Indiana.

The newly married couple had to report back to Castle Airforce Base, but will be able to get a leave in 30 days for their honeymoon. The young couple expect to spend part of that time here in Brisbane, visiting the bride's parents, and Carmen's sister Joan, who is in the hospital.

We understand that bridesmaid Dorothy Monohan has had cupid hanging around her door for quite some time. She and Leola Huber caught the bride's bouquet between them, so let's see which of the young ladies will be Brisbane's next bride!

TWO MORE LETTERS ON POSSIBLE BRISBANE BANK: "Dear Mrs. Reece: The Bank idea is swell---all for it!---let's not stop until we get a bank in Brisbane"---from Bob Hutsell of the Brisbane Launderette and Newsstand; "After reading in your paper about the possibility of a bank in Brisbane, will say I am sure a lot of people here would profit from it. I will appreciate not having to go out of town for banking--Sincerely,"--from Mrs. Lee Greenamyer, of 25 Mariposa. Interest is running high here for the bank---and the next thing on the program is the appearance of petitions, soon to be placed in most stores here in Brisbane. The petitions will have space for your name; and for your vote as to whether or not you would transfer your present bank account to whichever bank would be set up here. Please watch for these petitions which will be shown to various banks---proving to them that it would pay one of them to set up here. LET'S KEEP THIS THING ROLLING!
